3493 Brookline Ave., Apt 3, Cincinnati, OH 45220

EDUCATION

2021

PhD, Business Administration, University of Cincinnati
Dept: Operations, Business Analytics, & Information Systems
Expected Graduation: May 2021

2015

MS, Mathematical Sciences, Clemson University
Dept: Mathematical Sciences

2012

BA, Mathematics, Economics, Wittenberg University
Dept: Mathematics, Economics

RESEARCH AREA

In my research, I develop policies aimed at improving the human condition inside service systems, primarily in healthcare and social justice contexts. Driven by data and enabled by community partnerships, I blend predictive and prescriptive analytics to study operational problems in:

- (1) The fair allocation of resources under variable individual needs and preferences
- (2) Capacity allocation under uncertain customer demand

PUBLICATIONS & WORKING PAPERS

Accepted & Under Review

Rea, David, Craig Froehle, Suzanne Masterson, Brian Stettler, Greg Fermann, Arthur Pancioli, "Unequal but Fair: Incorporating Distributive Justice in Operational Allocation Models," *Accepted at Production and Operations Management*.

Rea, David, Leonardo Lozano, Craig Froehle, "Algorithmic Justice: Fair Compensation through Principled Compromises," *Under Review at Production and Operations Management*

Manuscripts in Preparation

Green, Brittany, **David Rea**, Charles Hoffman, Chia-Chun Yang, Craig Froehle, Andrew Beck, Carely Riley, "Localized Forecasts of the Childhood Meal Gap", *Target: JAIS Special Issue on Data Science for Social Good*

Rea, David, Craig Froehle, "Real-time Analytics for On-demand Services: A Literature Review and Framework," *Target: Manufacturing & Service Operations Management*.

Dixon, Mike, **David Rea**, Liana Victorino, Craig Froehle, "Perceived Justice and Fairness in Managing Waiting Lines," Book Chapter, Set to be published in *Research Handbook on Services Management*

Ongoing Research

Rea, David, Craig Froehle, "Before They Wait: Forecasting and Accommodating Demand Uncertainty in the Emergency Department," *Dissertation Research*

Rea, David, Brittany Green, Charles Hoffman, Craig Froehle, Andrew Beck, Carely Riley, "Injection and Redistribution: Coordinating Efforts to Close the Hunger Gap", *Food Insecurity Working Group*

Rea, David, Rachel Ancona, Chet Zalesky, Curry Woods, Bob Doerning, Caroline Freiermuth, "Where are the overdoses? The effect of COVID-19 on Opioid Presentations in the ED"

Mike Lyons, **Rea, David**, Parastu Kasaie, Mike Ward, Rachel Ancova, David Kelton, "The Opportunity Costs of HIV Screening in the Emergency Department"

ACADEMIC SPEAKING

Recorded Conference Presentations

[Click or copy-paste the blue links below for recordings of these presentations](#)

2020
"Designing Fair Allocation Algorithms for Healthcare Gig Work," Decision Sciences Institute Annual Meeting (Virtual), Session HM15
November 23rd 12:00pm EST

<https://davidjrea.github.io/presentations.html>

2020
"Unequal but Fair: Incorporating Distributive Justice in Operational Allocation Models," Decision Sciences Institute Annual Meeting (Virtual), *Doctoral Research Showcase: Social and Healthcare Issues*, Session DRS5
November 22nd 6:00pm EST

<https://davidjrea.github.io/presentations.html>

2020
"Adapting Emergency Department Operations in Real-Time," INFORMS Annual Meeting (Virtual), Session SA09
November 8th 1:15pm EST

<https://davidjrea.github.io/INFORMS2020Talk.html>

Invited Talks & Panels

2019
"Accommodation of Demand Surges in the Emergency Department via Proactive Staff-Planning," INFORMS Annual Meeting, Seattle, WA, October.

2019
"Coping with the Business Cycle as a Non-profit Organization" INFORMS Annual Meeting, Poster Session, Seattle, WA, October.

2019
"A Novel Approach to Fair Allocation of Physician Clinical Time Across Multiple Locations," Society for Academic Emergency Medicine, Poster Session, Las Vegas, NV, May 16th.

2019
"Managing Uncertainty via Distributional Demand Forecasting," INFORMS Healthcare, Boston, MA, July 29th.

2019
"Optimizing Fairness in a Multi-Site Emergency Department Staff Allocation Model," INFORMS Healthcare, Boston, MA, July 27th.

2019	"Ensuring Fairness in Physician Time Allocation: A Multi-Objective Optimization Approach," POMS Annual Meeting, Washington, DC, May 4th.
2019	"Probabilistic Forecasting for Online Staffing Decisions in the Emergency Department," POMS Annual Meeting, Washington, DC, May 4th.
2018	Panelist, "What to do with a Degree in Math?", Wittenberg University Springfield, OH, October 5th.
2018	"Allocating Clinical Capacity to Maximize Staff Satisfaction," POMS Annual Meeting, Houston, TX, May 4th.
2017	"Improving Patient Transport Services through Crew Flexibility," INFORMS Annual Meeting, Houston, TX, November October 22nd.
2017	"Optimal Staffing, Scheduling and Dispatch Policies for Emergency Transport Services" POMS Annual Meeting, Seattle, WA, May 7th.
2017	Presentation, "Health-care Analytics: Saving Lives and Lowering Costs," Departmental Colloquium Series, Wittenberg University Springfield, OH, April 3rd.

Other Speaking Engagements

2020	Presentation, "Who's Still Showing Up? Changes in Emergency Department Patient Population During the COVID-19 Pandemic," Emergency Medicine Research Interest Group, University of Cincinnati Cincinnati, OH, July 9th.
2019	Presentation, "Balancing Equity and Equality in the Allocation of Physician Clinical Time Across Multiple Emergency Department Facilities ," Emergency Medicine Research Interest Group, University of Cincinnati Cincinnati, OH, May 8th.
2018	Presentation, "Preliminary Results for Physician Clinical Hour Allocation Model," University of Cincinnati Emergency Medicine Research Interest Group, Cincinnati, OH, May 2nd.
2018	Presentation, "Balancing Equity and Equality in Time Allocation," Emergency Medicine Research Interest Group, University of Cincinnati Cincinnati, OH, April 10th.
2018	Poster, "Allocating Clinical Capacity Across Multiple Hospital Locations to Maximize Staff Satisfaction," Graduate Student Poster Expo, University of Cincinnati Cincinnati, OH, February 15th.
2017	Presentation, "Preliminary Results for University of Cincinnati Health Patient Transport System," Emergency Medicine Research Interest Group, University of Cincinnati Cincinnati, OH, May 3rd.
2017	Presentation, "University of Cincinnati Health Patient Transport System Simulation," Emergency Medicine Research Interest Group, Cincinnati, OH, University of Cincinnati March 8th.
2015	Masters Thesis Defense, "Can a CUSP Catastrophe Model Describe the US Economy?," Department of Mathematics Clemson University Clemson, SC, April 23rd.

2014	Presentation, "Dictionary Learning via Alternating Projection," Zentrum für Technomathematik Universität Bremen, Bremen, Germany, July 7th.
2012	"The Effect of Climate Change and Climate Change Policy on Ohio's Economy," Wittenberg University Honors Thesis Defense, Springfield, OH, April 21st.
2010	"Tracking Student Improvement for On-the-Rise," Center for Civic and Urban Engagement Internship Presentation, Springfield, OH, August.

RESEARCH APPOINTMENTS

2016-Present	Doctoral Researcher, Departments of Emergency Medicine & Operations, Business Analytics, and Information Systems, University of Cincinnati, Chairs: Arthur Pancioli, MD & Craig Froehle, PhD
2016	Consultant, GE Aviation, "Optimal Inventory Segmentation and Fixed Day Supply," Supervisor: Uday Rao, PhD
2015	Research Assistant, Operations, Business Analytics, and Information Systems, University of Cincinnati, "Identifying the Structure of the Bitcoin Community on Twitter Using a Stochastic Block Model," Supervisors: Yichen Qin, PhD & Zhe Shan PhD
2014	Research Assistant, Zentrum für Technomathematik Universität Bremen, "Dictionary Learning via Alternating Projection," Supervisor: Emily Kang, PhD

TEACHING EXPERIENCE

University of Cincinnati

Instructor	Introduction to Business Analytics	(Summer 2019)
Co-Instructor	Services Management	(Fall 2018)
TA	Statistical Methods	(Fall 2015)
TA	Statistical Models	(Spring 2016)

Clemson University

Instructor	Introduction to Mathematical Analysis	(Fall 2014, Spring 2015)
TA	Precalculus Laboratory	(Fall 2013, Spring 2014)

Wittenberg University

Co-Instructor	Essential of Calculus	(Spring 2010, Fall 2011)
---------------	-----------------------	--------------------------

Saint Martin DePorres High School

Co-Instructor	Algebra 1	(2012-2013)
---------------	-----------	-------------

Certifications

Ohio-Non Tax Teaching Certificate

WORK EXPERIENCE

- 2012-2013
● Apprentice Teacher, Saint Martin DePorres High School, Cleveland, OH
- 2010
● Strengthening After Schools Program Summer Intern, Center for Civic and Urban Engagement, Springfield, OH
- 2009
● Freedom School Servant Leader Intern, Children's Defense Fund, Cleveland, OH

PROFESSIONAL SERVICE

- 2020
● Conference Paper Reviewer, Decision Sciences Institute Annual Meeting
- 2020
● Organizer, OBAIS PhD Student Research Seminar, University of Cincinnati, Lindner College of Business
- 2019
● Session Chair, "Managing Uncertain Patient Demand," INFORMS Healthcare, Boston, MA, July 29th.
- 2019
● Session Chair, "Implementing Data Driven Technology," INFORMS Healthcare, Boston, MA, July 27th.
- 2019
● Session Chair, "Human-Centric Healthcare Operations," POMS Annual Meeting, Washington, DC, May 4th.
- 2019
● Session Chair, "Data-Driven Decision-Making," POMS Annual Meeting, Washington, DC, May 4th.
- 2019
● Mentor, "Grad-Undergrad Research Connections Program" University of Cincinnati, Cincinnati, OH,

HONORS & MEMBERSHIPS

Professional Societies

- Since 2019
● Manufacturing and Service Operations Management
- Since 2019
● Decision Science Institute
- Since 2017
● Institute for Operations Research and the Management Sciences
- Since 2017
● Production and Operations Management Society
- Since 2013
● Society for Industrial and Applied Mathematics

Awards and Honors Societies

- 2016
● Omega Rho, University of Cincinnati
- 2012
● Mortar Board, Wittenberg University
- 2012
● Phi Beta Kappa, Wittenberg University

2012 • Departmental Honors in Economics, Wittenberg University

2012 • University Honors, Wittenberg University

2012 • Phi Eta Sigma, Wittenberg University

■ **SOFTWARE SKILLS**

R, ARENA, Latex, Excel, Open Solver, Matlab, Python, GAMS, Minitab, AnyLogic, SAS
