ACADEMIC APPOINTMENTS

2021

Lehigh University

Assistant Professor, Dept. of Decision and Technology Analytics,
College of Business (Primary Appointment)

College of Health (Affiliated Faculty)

EDUCATION

2021

Ph.D., Business Administration, University of Cincinnati

Dept: Operations, Business Analytics, & Information Systems

Recipient of Lindner College of Business Outstanding Doctoral Student Research Award

2015

MS, Mathematical Sciences, Clemson University

Dept: Mathematical Sciences

2012

BA, Mathematics, Economics, Wittenberg University

Dept: Mathematics, Economics

RESEARCH AREA

My research focuses on translating data into decisions, including research questions on

- (1) the fair allocation of scarce resources
- (2) capacity allocation under uncertain customer demand.

Motivated by organizational partnerships, I have primarily focused on problems in health-care and social welfare service systems.
